BOARD OF DIRECTORS MEETING - 6:30 PM, at the "Y"

### MESSAGE FROM OUR PRESIDENT, *Merrill Kelem*

**Shalom:** A happy Mother's Day to all you ladies. Can you believe that it's also the beginning of the summer season with the Memorial Day weekend. Where did the year go? Anyhow, this time of the year also means the **70th Annual Banquet at Har Zion**, on June 6th, at 6:30 PM. I want to see everyone at this great evening. **Jimmy Binns** is our **Person of the Year** and **Bob and Shelby Ford** are our **Humanitarian Awardees**. As I told you before, for the price of a ticket, the food, the drinks and the music, it would cost you much more just for a ticket to a dance. So we'll see you at the banquet.

Wow, what a crazy month April was! Our heartfelt thoughts to the families of the students from **Virginia Tech**. I hope that all the lawmakers, both **D & R**, take a close look at what happened and quickly come up with something for the gun laws in this country. The next time it may be a Police station, a Firehouse, and yes, maybe an elementary school full of children. You just don't know. Oh yes, and the shooting at **NASA**. How did this "Cuckoo Clock" get his weapon past security? **NASA**? If someone could get through **NASA** and their security, just think of what other tragedies could occur in this country.

The other joke was the **Don Imus** incident. Yes, he was wrong for calling those young ladies "Ho's", but its OK for the rap (or should I say **CRAP**) artists to use that word and others that degrade women. Those girls are someone's daughter and you wouldn't want anyone degrading your daughter, would you? Well, it's over and lets move on. But this one character, the Reverend **Al**, should do his homework before he starts slinging dirt. Maybe he should listen to some of those rap artists and their alleged music and then say to all the people of the world that this must stop also. And whatever happened to **Motown** and **Doo-Wop**?

We have a wonderful program for the **May** meeting. We will be showing the entire show starring **Frank Sinatra** that was taped in **May, 1978**. This is part of the boxed set "**Sinatra, the Vegas Series**". If you never saw **Sinatra** live, this will be the time. Unfortunately, he's gone, but his music is not. So bring a friend and enjoy the show.

Have a safe **Memorial Day**, and please don't drink and drive. If you go for that swim, practice water safety. Don't swim at an unprotected beach, pool or lake. Oh yes, don't forget the mayoral primary. I understand a policeman's son is running?

See you at the meeting, and don't forget to buy a ticket to the banquet and an ad for the year book.

So, be safe, be happy and stay healthy.

**Merrill**

***HAVE YOU PAID YOUR DUES YET?***

**GUEST SPEAKER:** Our guest speaker this month will be **Merrill Kelem**. He will be showing a tape of an entire **Frank Sinatra** show done in Vegas. **Merrill**, as you may recall, spent a lot of time over the years with **Sinatra**, often heading up his security detail, so he has a lot of interesting stories to tell about his involvement with the late, great **Sinatra**. So bring your family and friends and lets have a great turnout for what promises to be one of the most entertaining meetings we have ever had.

### **Age jokes:**

When her husband finally died, the widow put the usual death notice in the paper but added that he died of gonorrhoea. No sooner were the papers delivered when a friend of the family called and complained bitterly, "You know very well he died of diarrhoea, not gonorrhoea."

The widow replied, "I nursed him day and night so of course I know he died of diarrhoea, but I thought it would be better for posterity to remember him as a great lover rather than the big piece of crap that he was."

When I went to lunch today, I noticed an elderly lady sitting on a bench and crying her eyes out. Upon asking her what was wrong, she replied "I have a 22 year old husband at home and every morning he makes love to me and then makes me a gourmet breakfast." I then asked "well, so why are you crying?". She continued, "He then makes me a gourmet lunch and then makes love to me for half the afternoon." Again I asked, "So why are you crying?". She continued, "For dinner he again makes me a gourmet meal, with my favorite wine and my favorite desert and then makes love to me until 2:00 AM." I said "Then why in the world would you be crying?" She said, "I can't remember where I live!"

Two elderly ladies had been friends for many decades. Over the years they had shared all kinds of activities and adventures. Lately, their activity had been limited to meeting a few times a week to play cards. One day they were playing cards when one looked at the other and said, "Now don't get mad at me, I know we have been friends for a long time, but I just can't think of your name. I've thought and thought, but I just can't remember it. Please tell me what your name is." Her friend glared at her. For three minutes she just stared and glared at her. Finally she said, "How soon do you need to know?"

### **Obituary of the late Mr. Common Sense -**

Today we mourn the passing of a beloved old friend, Common Sense, who has been with us for many years. No one knows for sure how old he was, since his birth records were long ago lost in bureaucratic red tape. He will be remembered as having cultivated such valuable lessons as: Knowing when to come in out of the rain; Why the early bird gets the worm; Life isn't always fair; and Maybe it was my fault.

Common Sense lived by simple, sound financial policies (don't spend more than you earn) and reliable strategies (adults, not children are in charge). His health started to deteriorate rapidly when well-intentioned but overbearing regulations were put into place. Reports of a six year old boy charged with sexual harassment for kissing a classmate on the cheek; teens suspended from school for using a mouthwash after lunch; a teacher fired for reprimanding an unruly student, only worsened his condition.

Common Sense lost ground when parents attacked teachers for doing the job they themselves failed to do in disciplining their unruly children. It declined even further when schools were required to get parental consent to administer sun lotion or a band-aid to a student; but could not inform parents when a student became pregnant and wanted to have an abortion.

Common Sense lost the will to live as the Ten Commandments became contraband; churches became businesses; and criminals received better treatment than their victims.

Common Sense took a beating when you couldn't defend yourself from a burglar in your own home and the burglar could sue you for assault.

Common Sense finally gave up the will to live after a woman failed to realize that a steaming cup of coffee was hot, spilled a little on her lap and was promptly awarded a huge settlement.

Common Sense was preceded in death by his parents, Truth and Trust; his wife, Discretion; his daughter, Responsibility; and his son, Reason.

He is survived by his three step-brothers: I Know My Rights, Someone Else Is To Blame, and I'm A Victim.

Not many attended his funeral because so few realized he was gone. If you still remember him, pass this on. If not, join the majority and do nothing.
