BOARD OF DIRECTORS MEETING at 6:30 PM, at the "Y"

MESSAGE FROM OUR PRESIDENT, *Larry Nodiff* SHALOM -

Regards to all. I hope you didn't forget to vote on election day and turned your clocks back when day light savings time came to an end. Wishing all a **Happy Veterans Day and Thanksgiving Day**. And for those who might be interested, the same day as our Veterans Day, is also Remembrance Day in Canada and November 20th is National Child Day in Canada.

We were all disappointed that the Phillies were not able to repeat as the National League champions. Lets root for the Eagles, the 76ers, the Flyers and all the other local teams to do well

At the last meeting, those in attendance had the pleasure of listening to our guest speaker, **Edward J. Wurster, Training and Exercise Coordinator for the Southeastern PA Regional Task Force**, who gave an interesting and informative presentation.

A promotional exam for the rank of **Detective** is scheduled for January. **Shomrim** has purchased books and CD's for study guides. I will be happy to assist any **Shomrim** members who are scheduled to take the test, so please contact me in order to form a study group.

I would also like to wish a speedy recovery to **John McNesby**, FOP president, who recently underwent abdominal surgery.

The **Emerald Society's** banquet was attended by myself and **Scott Pollack**.

The **New York Shomrim Society's Annual Memorial Service** was attended by **Judi Buch and Alan Fried** and Alan's fiance Sue.

As my two year term as your president is coming to a close, I feel that due to my work related duties I can no longer commit to the time needed to properly supervise and lead our organization and so I have asked that I not be nominated to continue as your president and that other members be considered for this honor. I will assist our new president elect as much as I can to insure a smooth transition.

At the meeting, the nominating committee recommended candidates for the various offices up for election.

At this November meeting, we will be taking nominations for all offices from the floor. If you have any interest in this organization, you can show it by coming to this meeting to nominate those you think will do a good job and then voting at the December meeting, when the elections will be held. At the January meeting, the elected officers will be installed.

So, we'll see you at this meeting - until then, God bless all of you.

Larry

From the Mended Hearts, Inc., Publication - Heart Response:

Self CPR, How to survive a heart attack when you are alone:

This system was discovered by staff members of the Johnson City Medical Center and an in-depth study was conducted on it. An article on it has been published and incorporated into ACLS and CPR classes.

If you start to experience severe pain in your chest that starts to radiate out into your arm and up into your jaw, you can be saved by coughing repeatedly and very vigorously.

A deep breath should be taken before each cough and the cough must be deep and prolonged, as when producing sputum from deep inside the chest. A breath and cough must be repeated about every two seconds without let up until help arrives or until the heart is felt to be beating normally again.

Deep breaths get oxygen into the lungs and coughing movements squeeze the heart and keeps the blood circulating. The squeezing pressure on the heart also helps it regain normal rhythm.

Chaplain's corner:

Thanksgiving 5771

On November 25, we will be celebrating Thanksgiving. This holiday commemorates how grateful we should be to live in a country where we can have freedom of speech and religion.

The Thanksgiving holiday has become a favorite amongst the American Jewish community, because it incorporates the essential values of Judaism, harnessing them in the service of a civic duty, gathering together as a family and eating a festive meal. In addition one does not have to miss school or a day of work as the entire community takes a long weekend off.

The Thanksgiving holiday has Jewish roots, since the Pilgrims modeled this holiday on the ancient Israelites full harvest festival of Succot.

In 1789 and 1795 President George Washington issued a presidential Thanksgiving proclamation. In the first he called for a "day of public thanksgiving and prayer, to be observed by acknowledging with grateful hearts the many and signed favors of Almighty G-d."

President Abraham Lincoln in 1863 made Thanksgiving a national holiday. In bringing the country together after such a horrific civil war, he issued the proclamation that all Americans "should set apart and observe the last Thursday in November next as a day of thanksgiving and praise to our beneficent Father who dwelleth in the heavens."

By giving thanks each day, we acknowledge our dependence on others to help meet our needs, to make these blessed United States safe. In so doing, let us not forget our brave men and women, who are serving in far off distance lands, so that we can celebrate this holiday in the comfort of our homes with our dear family and friends. And let us also not forget all of our colleagues who serve in public safety who are on call 24-7. There is much proof to the saying "No man or woman is an island", for we require others to be a part of our lives so that we may be safe.

Psalm 136 calls upon us to " Give thanks to the Lord because He is good; His devotion is nurturing and supportive, a love that is life giving and forgiving.

When we gather this Thanksgiving Day and for that matter, a balancing of work and family at any meal, let us remember to say "thank you" to G-d, family and friends for the many blessings we all receive in life.

You have to be Jewish to understand -

Rhoda and Irwin, a retired couple living in Boca Raton, are getting ready to go out to dinner.

Rhoda says "Irwin, darling, do you want me to wear this Chanel suit or or the Gucci?" Irwin says "Do I care?"

She then asks "Should I wear my Cartier watch or my Rolex?" He responds "So who cares?"

A few minutes later she asked "Irwin, love, shall I wear my five-carat pear diamond ring or my six-carat round diamond ring with the baguettes?" Irwin replied "Rhoda, I really don't care what you wear, but if you don't move you tuchas, we're going to miss the Early Bird Special."

My cousin Murray runs a pawn shop. I asked him to appraise my grandfather's violin.

"I'm afraid old fiddles aren't worth much," he said to me.

"What makes it a fiddle and not a violin?" I asked.

"If I'm buying it from you, it's a fiddle. If you are buying it from me, it's a violin."

On that note, I recall a sign above a center city store window some time ago - **'We buy junk, we sell antiques'**.
